

# Effingham 15<sup>th</sup> Annual Artisan Fair

**“Arts & Hearts Event”  
Friday, May 1, 2020**

**“Juried Artisan Fair”  
Saturday, May 2, 2020**

The Vision 2020 Culture, Arts and Leisure Committee is busy planning the 15th Annual Artisan Fair. After fourteen successful years, the committee is thankful for all of the support it has received from the community and excited about the enthusiasm the fair brings each year. This year we will jury new artisans that will bring new art to the fair.

Over the past few years, the Artisan Fair has expanded its activities to include a community event on Friday night, an art auction, Wine, Beer and Bourbon tasting, and a food fair. This year with the support of the community we will be bring you these events again.

Because of the many talented artists, energetic volunteers and generous sponsors, the committee believes the 2020 Artisan Fair will be another successful event. But in order for the committee to continue its efforts and to promote this event, financial support is needed. Sponsorship enables the committee to present this fair free of charge to the public, which encourages everyone in the community to attend the family-friendly weekend of art, history and music in Effingham’s beautiful downtown area on the square.

Artisan Fair sponsorship includes unique sponsorship benefits. As a sponsor, you will have the reward of knowing that you support the arts in Effingham County and brought affordable original artwork to the public while investing in a community tradition.

Please complete the attached Artisan Fair sponsorship form and return with your payment to ensure that you enjoy all your benefits of sponsorship. Your Artisan Fair sponsorship is fully tax-deductible.
